

Terms and Conditions

We hope you love your Beth Tweddle Gymnastics Play Stars session!

To make sure we are playing safe and can continue to have fun, please read our code of conduct below;

- All visitors to the centre must be able to adhere to our access policy (see below)
- All children must be accompanied by a responsible adult at all times. Beth Tweddle Gymnastics does not accept any responsibility for the supervision of any children.
- Prams/ push chairs are not allowed On the Gym Floor area but can be parked in our pram park.
- All users should use the hand sanitizer to wash their hands prior to entering the Gym floor area
- All jewellery must be removed prior to entering the equipment.
- Shoes must be removed.
- Age restrictions apply to the use of the baby/Under 2's area; these are for the safety of all users
- Play is restricted to 45mins.
- We recommend wearing clothes that are not lose fitting to reduce the risk of trips of falls
- For your own safety please do not play in front of any of the slides.
- No sharp objects or toys are allowed to be taken into the play areas.
- It is forbidden to use the high level equipment (adult bars, high beam etc) all equipment that is not available for use will be clearly signposted
- No food or drink or sweets allowed on the Gym floor area
- We do not recommend that children who are feeling unwell use the play equipment at any time.
- Do not use the play equipment if wearing any form of plaster cast.
- Balls should not be thrown at other people.
- No fighting or bullying will be tolerated (parents/carers are responsible for the children in their care and are asked to enforce this rule).
- In the interest of health and safety please ensure any equipment used is thoroughly cleaned after use, staff will provide cleaning equipment for your session.
- Please report all incident /accidents straight away to a member of staff, to ensure that we can provide any necessary assistance and minimise any future reoccurrence. These will be logged and also play an important role in our ongoing commitment to you and your child's safe playing environment.
- Report any damages, even if accidental, to a member of staff.
- We provide a baby changing area, please use the bins provided for nappies.
- Parents/guardians must always accompany children to the toilets.
- Report any unacceptable behaviour to a member of staff.
- This structure, play equipment and setting is inspected regularly to provide a safe environment for your child but this is not a substitute for parental supervision.
Parents /Guardians please note whilst we have taken every consideration for the safety of children using the Gym area, you should still be vigilant in supervising and ensuring your gymnast's safety.
You will be asked to leave if you break these rules as they are for the safety for all entering Beth Tweddle Gymnastics

Access Policy

We can't wait to see you for lots of fun in your upcoming session! We have some criteria you must meet in order to keep all of our users and our staff safe. Please ensure you can adhere to our Access policy, shown below, before you travel to the Beth Tweddle Gymnastics Venue;

- Make sure you have updated your child's medical history on your customer portal account, or let the staff at the venue know of immediate concerns
- If your child has any underlying medical conditions, as stated by Public Health England/Scotland/Wales, you must contact our customer service team for further advice.
- You only attend with a maximum of one supervising adult per Participant

GYMNASTICS

-
- Participants are to arrive “activity ready” so it is not necessary to use changing rooms prior to lessons. This means gymnastic wear must already be worn with simple clothing that can be removed and taken away by a parent or carer
- Participants and parents/carer’s will be required to use the hand sanitiser provided on entering the venue
- It is recommended you travel to your lesson without using public transport, however, if this is not possible, you have followed Government guidelines when doing this
- The participant and the parent/carer are not suffering from any symptoms that require you to isolate for any recommended time, set out by Public Health England
- Nobody in the participants household has tested positive for COVID 19 and is presently isolating for a 7-day or 14-day period.
- The participant and the parent/carer have no knowledge of being in contact with anyone that has shown any symptoms of Corona Virus in the last 14 days
- The participant and the parent/carer have not travelled to countries that require a quarantine period upon return as stated in Government guidelines.
- The participant and the parent/carer are willing to abide by all the venue guidelines and direction offered by the teams on site
- The participant and the parent/carer are ready to access the building within 10 minutes of your lesson start time and have departed within 10 minutes of the lesson finishing.
