1 Safe recruitment policy

1.1 Overview

Safe recruitment requires safeguarding issues to be considered at every stage of the recruitment process for positions involving work with children or young people. Although the vast majority of coaches, volunteers and officials are committed and dedicated and are involved with the sport for commendable reasons, it is vital that all reasonable steps are taken to ensure the safety of all participants by ensuring that any unsuitable people or people who may abuse children and young people are prevented from working within the sport.

Beth Tweddle Gymnastics will apply to following procedures to help ensure that the correct people are recruited to work within the organisation and share Beth Tweddle Gymnastics' values and approach to safeguarding as well as providing a deterrent to anyone who wants to abuse children and young people within the sport. Robust recruitment procedures need to be in place for both paid and volunteer position within Beth Tweddle Gymnastics It's a vital part of creating a safe and positive environment and making a commitment to keeping children and young people safe from harm.

1.2 BTG's commitments

BTG commit to:-

- Safeguarding and protecting all children and young people by implementing robust and safer recruitment practices
- Identifying and rejecting applicants who are unsuitable to work with children and young people
- Responding to concerns about the suitability of applicants during the recruitment process
- Responding to concerns about the suitability of employees and delivery team and volunteers once they have begun their role
- Ensuring all new staff and delivery team participate in an induction and will have safeguarding training
- A list of the supporting procedures that accompany the policy
- A date when the policy will come into force and when it will be reviewed

1.3 One-off volunteers

One-off volunteers will never be left alone with a group of gymnasts and will only ever have supervised contact with children for a limited time period. This may include:-

- Parents/other volunteers helping out at a club event
- Young people attending for work experience

1.3.1 Procedures

- Signing in and signing out of these individuals is mandatory for the sessions/events that they attend.
- Have an assigned individual to look after these individuals when they are volunteering within the Beth Tweddle Gymnastics organisation.
- If the volunteering becomes more frequent, more than once a month, a recruitment process must be followed.

1.4 Parents/Guardians

Any parent/carer who is within the gym for the 1-1 care for their child, can do so without a DBS check. It is in the case of criminal records check, unlawful to apply a recruitment process to parents/carers whose only role is to care for their child.

If a parent is wanting to take a role within Beth Tweddle Gymnastics (other than to provide 1 to 1 care for their child), a full recruitment process will be applied as they will have responsibility for other children and young people within Beth Tweddle Gymnastics.

It is essential that the following recruitment and selection procedures are applied without unlawfully discriminating against candidates on grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion and belief, sex and sexual orientation, and are fully compliant with the Data Protection 1998.
